From our Team to You
Welcome to the Family!

On The Fly Introduction

By EWMA Founder and President Bruce Beeman

It's been an amazing journey so far since Anita approached me about becoming her partner in a new motorcycle association after learning that GWRRA was closing. To say it's been a whirlwind would be an understatement, like a friend of mine puts it, "you see a still duck on the pond until you look under the waterline and its feet are moving a hundred mile an hour". That's what it's been like for us.

Since the decision to go for it; we have built an International Team, established the Regions, working with the Districts and Chapters that have elected to go with us and build those where we need to start from the ground up, but more importantly we are well over 1700 household in membership in only 3 months. I personally want to welcome you all, or is it ya'll, to the EWMA family and thank

each and every one of you for joining us.

We have a long way to go and a lot of things to get done, but you have to learn how to crawl before you can walk and right now, we are running. Our insurance is in place; our website is getting closer to completion; we're looking at benefits; we're working on EWMA Safety classes (should be out shortly); Regions are starting to set up events; and YES, EWMA will have an annual event.

For the EWMA Annual Ride-In/Get Together, we are thinking about mid-September 2023, being sensitive to other planned events, we just haven't finalized the location yet. We're looking for a name that will stay with that event from year to year.

We would like the name to come from the membership, so send us your suggestion for a name by December 15, 2022. Email it to ewmamembership@gmail.com. The International Team will pick the winner; there will be a prize for the winner, more info to come.

Again, Anita & I want to welcome each of you to Eagle Wings Motorcycle Association and thank you for joining our Family. This is truly about you and giving you a venue that fits your needs to build lasting friendships & memories.

Remember, be safe out there, the life you save just might be your own.

Where are We Now

By Anita Alkire, CEO

We have ended our charter member, district and chapter timeframes. We are so excited to welcome 3,300 members into Eagle Wings.

We have filled our team except for 1 region director and are thrilled to have the outstanding leaders in those positions.

Our International Team are amazing members who get the

changes this association has opened with and embrace them.

We are happy to say that our simplified chapter structure has brought life into converting chapters and excitement to the new EWMA chapters. We welcome them all!

Thanks to Todd Stark, we are an HSI Training Center so we can offer the First Aid/CPR Trainings

through our Districts. To be clear however, this is to help each other out and not a requirement.

Our position about safety is clear, we embrace it. But we'll do so with EWMA seminars, on bike games and skill enhancements and fun.
